Dear Grason,

I appreciate your letter. It might also be a good idea if you know how to make your way around in the files for Clarence's purposes. And it happens I have a search to be made in an effort to see if I can duplicate some files that were, I've just discovered stoofin. And maybe there is some typing. But you'd bttter look at it to see if you can make it out. So, it would be fine if you can come the 24th. Ordinarily I'm back from my early-morning schedule that day by nine. Excuse the rush,

Sincerely,

Harold Weisberg
